

Inspired by the garden

Chef Cas and head of horticulture Rogier share a passion for the scents, colours and flavours found in the gardens of the Hortus. They regularly take a walk around the garden looking for culinary inspiration. The art of cooking is the creation of the best flavour combinations based on what the seasons have to offer.

Ingredients from the Hortus

The Indian Cress on your salad is freshly picked from our terrace and we incorporate thyme and rosemary from the Clusius Garden in our herb salt. Through the year you can enjoy the authentic flavours of the Hortus, as we also make our own vinegar, dressing and sauces with herbs and flowers from the garden.

Celebrating among greenery

Surrounded by lush flowers, ancient trees, tropical glasshouses and water, the Hortus is a beautiful location for all kinds of events. Whether you organise a party such as a wedding, anniversary or get-together, or a business event such as a meeting, lecture, conference or dinner party: the Hortus offers you all possibilities in a heavenly environment.
